Welcome
Blankets

Each new family coming into Ronald McDonald House receives ***a Welcome Bag, along with a Welcome Blanket***. These blankets can be very comforting to the children and serve as treasured mementoes of their time spent here at our House. Your support in helping provide a blanket would be greatly appreciated.

- Blankets should be crafted from new, clean fabrics only. Please do not use material that has been used for other purposes or kept in storage
- It is recommended that you wash and bag your blanket before bringing it to the House.
- We welcome blankets of all patterns and colors.
- We are also happy to accept donations of 2-yard pieces of fleece.

Here's how to make your no-sew blankets:

Supplies:

- Fleece: 2 yards each, print and solid
- Rotary cotter and mat
- Tape measure
- Optional: June Tailor® Shape Cutter™ template

Directions:

Cut 56"x70" from each piece of fleece at the same time. Lay fleece wrong sides together. Cut a 6" square from each corner of the fleece.

Fringe: Cut 6" into fleece at 1" intervals around all sides of the top and bottom layers. Knot fringes together around blanket, using one strand from the front, and one strand from the back.

Blankets can be prepared on your own schedule and delivered to our House any day between 9 a.m. and 9 p.m.
